---

**English Language Diagnosis and Assessment/Certificate of Proficiency in English**

- The minimum scores required to meet our English facility requirement is an overall score of 86, 32 in Writing, and 22 in each of Reading and Listening.
- If you score 80-85 overall, with 28-31 in Writing and 18-21 in each of Reading and Listening, and you are otherwise well qualified for admission, we will automatically consider other academic evidence of English proficiency (for example, results in English courses) and we will advise you whether our English language requirements have been satisfied. It is not necessary to request this special consideration. Letters of reference will NOT be used for this purpose.
