What is an Independent Study Course & how do I request enrolment?
Enrolment is limited to students in the Employment Relations program. Students are not entitled to take more than 1.0 full course equivalent IRE/WDW395 course. You must find a CIRHR Faculty member willing to supervise your work in IRE395. The work cannot duplicate material that is covered in an existing lecture. You are not allowed to recycle work completed for another course for credit in 395 – reusing work constitutes an academic offence and will be reported to the Office of Academic Integrity.
If you have found a Faculty member willing to supervise your proposal you must complete this form with the help of your supervisor. A detailed description of your proposal is required. Students requesting enrolment in IRE395 are advised to select an alternative course until the status of their enrolment is confirmed. Results are communicated to the student via email. Approved proposals will be added on the student’s academic record on ACORN by the Program Office.
